To The Secretary to Govt
P.W.D. Bomb.

Sir, Will you kindly arrange to obtain confidential record of Mr: Bhujale (S.T.S.) from the offices of the 2x: Engineer (2) Karwar (2) Dharwar and (3) S.E's office here? Mr: S.T.S. is at present allowed to work as S.E's H.C. On perusal of this record, you will be fully convinced, that he is totally unfit for being allowed to work, in S.E's office even as first clerk.

2. If approved, I am prepared to make this statement in the presence of the S.E. S.C. Belgaum.

3. Recently, for showing personal favouritism to Mr: Bhujale, special additions & alterations were carried out to the staff-Q & Building here. The estimated amount is more than Rs 800/-. Mr: Bhujale is allowed to occupy this building from 2-9-51. We have to pay rent only at Rs 12/- p.m. There are so many other low paid junior clerks who are required

to pay exhorbitant rent of Rs 25 to Rs 35 p.m. This action of the S.A., gives out very dirty & bad smell of communal spirit & Government will have to take timely action to check this spirit. To remove inconvenience to the travelling public Government may allow the above Building to be used either as (1) the P.W.D. Rest House or as (2) Inspection Bungalow.

Yours faithfully

D.O. Letter

Belgaum

Date 3rd October 1957

Dear Joglekar,

I return herewith the post card received with your DO letter No N.S. 92/81684-F dated the 29th September 1951

2 The antecedents of Shri D. G. Divekar (the writer of the card) are too well known to Government to need mention

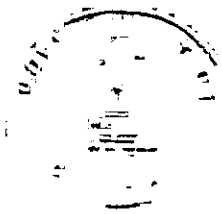
5.10.51

3. As regards Shri Bhujal his Confidential Report is seen to have been uniformly good and he has earned Class A recommendations since 1942.

2/14

The report is being submitted to the Chief Engineer P.W.D. separately with certain proposals and may be perused.

6. As regards the building referred to it is the same as that mentioned in para 6 of my letter No G. 108/Manger dated the 6th September 1951 addressed to the Chief Engineer P.W.D. The standard rent has been worked out by the Executive Engineer Belgaum Division in accordance with the rules. As will be seen from that letter the building has been proposed to be allotted to the P.W.D Head Quarters cum-ser Belgaum as his residence, and that pending finalisation of this proposal Shri Bhujale first clerk of this



Lens office (who has been officiating as Head Clerk in my office since June 1951 due to the absence on long leave of due to illness of the permanent incumbent) has been permitted to occupy it on payment of the full standard rent purely as a temporary and stop-gap arrangement. She was in great need of suitable residential accomodation due to which he got two asthmatic attacks July 1951 resulting in absence on his... part from his office I therefore considered it to be in the public interest to permit him to occupy the building temporarily to avoid reoccurrence of the asthmatic attacks

which would have upset my office

The official quarters of the Head Clerk
of this office have not become available
to Shri Bhujade as the permanent
incumbent on leave is in occupation
and being bed-ridden has not been
able to vacate them

The suggestion of the writer of the
post card (Shri D.G. Divekar) that there has
been favouritism etc 'is baseless and mischievous.
It seems to have been prompted by reason of the
fact that I have been instrumental in
stopping the visits of Shri D.G. Divekar to
P.W.D. offices in the Saoner Circle as on
such occasions he used to misbehave and
use offensive language against high
officials of Government and Hon. Ministers.
(vide G.A. P.W.D. Conf No 9342/36-II-E II) dt 26-3-51)

17

I need hardly add that favouritism etc are quite foreign to my nature and temperament and I firmly believe that I have never been guilty of them in the past nor do I see the slightest reason why I should be so now or in the future.

Yours sincerely

(V.B. MANERIKAR)

The Head Clerks also threaten clerks under them with transfer in case they do not give gratifications to them. Shri Kamat, Head Clerk, had also demanded Rs. 500/- from one Shri G.S. *****

"Shri A.I.Mulla is the P.W.D.Karkun for Manchikeri beat. He got Rs.1,000 and he has incurred debts also in thousands. During the current month only the Karkun was transferred to Hunshettikop in Yellapur Taluka. The Karkun got a loan of Rs.200 from me and paid it to Shriyuts D.A.Kamat, Head Clerk and D.D.Pai, and got the transfer order cancelled. When I asked the Karkun about the repayment of the loan to which the Karkun said that I should get it from Shri D.A.Kamat, Head Clerk. The explanation of Shri Mulla, Karkun, should be obtained and arrangements made for payment of the amount to me.

Shri J.S.Tellis, Maistry, of Sirsi was a Sub-overseer. He is now reverted as Maistry. Shri Tellis was trying in the Divisional Office, Karwar, to get the post of a Sub-overseer. For promoting him as a Sub-overseer, Shri D.A.Kamat demanded Rs.500. For this, Shri Tellis sold not only 30 pickaxes and 30 phavaras, but also took out the buried tools and stored in the Sirsi Stores. He has sold the metal in his beat to a contractor of S.T. Company and the amount thus acquired has been handed over to Shri D.A.Kamat. When the Deputy Engineer, Sirsi, came to know about this, Shri Tellis is kept on two months' leave. Now Shri Tellis is actually required to starve. Moreover, Shrivuts D.A.Kamat and D.D.Pai have been threatening for transferring Road Karkuns to Irrigation sections and thus trying to squeeze money. Shri D.D.Pai, Storekeeper, arranges for conveyance of Government materials to Kumta in the private trucks of P.W.D. contractors and gets money from Government. This is a big loss to Government. Some arrangement must be made to stop all such things. Otherwise Government will lose much. For all this, Shri Kamat, Head Clerk is responsible. People say that Shri Kamat wanted to give his daughter to Executive Engineer.

I request that this sort of administration of Shriyuts Kamat and D.D.Pai may kindly be stopped and the amount due to me arranged to be paid by them.

S.N.Phayade,

Subject :- Allegations against Shri D.A.Kamat, Head Clerk, and Shri D.D.Pai, Store-keeper, in the Kanara Division, regarding corrupt practices

---

Reference: Government (P.W.D.) Endorsement No. NS.92/81795 F, dated the 23rd September 1952.
confidential

2. The Kannada letter dated 27th August 1952 from Shri S.N.Phayade together with an English version thereof is returned herewith.

3. I personally made enquiries in connection with the application during my tour in the Kanara Division on the 29t September 1952 when Shri Shankar Pundlik Phayade, contractor of this Department, gave a statement (original in Kannada with an English translation attached) that the application in question written in the name of Shri Shankar Narayan Phay had not been addressed by him and that the amount of Rs.200/- mentioned in the application as taken from him by Shri A.I. Mulla, Karkun, was never so taken. It is also ascertained that there is also no man by name Shankar Narayan Phayade in Manchikeri. This shows that the application is pseudonymous.

4. However, enquiries were still made by me in the Executive Engineer's Office, Kanara Division, regarding the transfer of Shri Mulla when it transpired that he was transferred to Hunshettikop on 21st July 1952. Shri Mulla th submitted on the 30th July 1952 medical certificate stating that his wife was suffering from appendicitis and requesting that the transfer might be postponed by two months. The transfer was, therefore, postponed for two months and not cancelled as alleged in the application.

5. As regards Shri J.S.Tellis, he is a permanent Musteri Karkun who, having passed the Sub-overseer's Examination in 1948, was promoted as a temporary Sub-overseer on 27th November 1948, but reverted as Maistry on 26th July 1950 due to retrenchment. Since according to the decisions in the Superintending Engineers' Conference held in July last, no further recruitment of Sub-overseers is to be made there is question of promoting Shri Tellis as Sub-overseer at any tim It is also ascertained that the allegation against Shri Tell regarding the sale of metal to the S.T.Contractor and taking out the buried tools for sale or replacement are all not tru There is, therefore, no truth in the allegation that Shri Tellis was trying for a Sub-overseer's post through Shri Kam Head Clerk and the latter demanded Rs.500/- for that.

6. As regards the allegation against Shri D.D.Pai that h sends Government materials in private trucks and gets money from Government for conveyance, it is ascertained that in th Kanara Division, the trucks are allotted to each Sub-Divisio and the Sub-Divisional Officers send their trucks to the Divisional office whenever any materials or stores are to be brought from there. There is, therefore, hardly any occasion for the Store-keeper in the Divisional Office to send out Government materials or Stores to Sub-Divisional Offices and it is inconcievable that he can get money from Government

even .....

even if stores are sent in private trucks.

7. From the above, it will be seen that the allegations must have been made maliciously by an unknown person.
